

Mother Long Tongue

Desmond Dekker

Why, why, why Mother Long Tongue
Your belly a go bun you
Why, why, why Mother Long Tongue
Your belly a go bun you

What's wrong with you so Mother Long Tongue
What's wrong with you so Mother Long Tongue
What mek you can't see and blind (hear and deaf)
I say to see and blind (hear and deaf)

As you get up in the morning
You don't wash your mouth
You just lippy, lippy, lippy
Gyal, what's wrong with you

What's wrong with you so Mother Long Tongue
What's wrong with you so Mother Long Tongue
What mek you can't see and blind (hear and deaf)
I say to see and blind (hear and deaf)

As you get up in the morning
You don't wash your mouth
You just lippy, lippy, lippy
Gyal, what's wrong with you

(..)

What's wrong with you so Mother Long Tongue
What's wrong with you so Mother Long Tongue
What mek you can't see and blind (hear and deaf)
I say to see and blind (hear and deaf)

As you get up in the morning
You don't wash your mouth
You just lippy, lippy, lippy
Gyal, what's wrong with you

Why, why, why Mother Long Tongue
Your belly a go bun you
Why, why, why Mother Long Tongue
Your belly a go bun you

See gyal, your belly a go bun you
See gyal, your belly a go bun you..
