

Sing a Little Song

Desmond Dekker

When your heart is filled with sorrow
Sing a little song, sing a little song
When you're worried and feel heavy-laden
Sing a little song, sing a little song

It doesn't matter if you're a boy or a girl
Just remember it's not the end of the world

When your heart is filled with sorrow
Sing a little song, sing a little song
When you're worried and feel heavy-laden
Sing a little song, sing a little song
Mama ride on...

It doesn't matter if you're a boy or a girl
Just remember it's not the end of the world

When your heart is filled with sorrow
Sing a little song, sing a little song
When you're worried and feel heavy-laden
Sing a little song, sing a little song

Sing, sing, sing, sing a little song
