

You Got Soul

Desmond Dekker

You are the one I adore
That is why I flipped out your door
Even at the days or night
I won't let you out of my sight

You got soul, baby
You got soul
So much soul
So much soul
It's hard to control

Best thing in life is for free
Love and be loved that's the key

When the winter and summer or fall
You are my love
My life and my all
