Coming Back

Desperation Band

I was far away but You found me and You made me want to stay I was falling down but You lifted me and turned my life around

Now I'll follow recklessly And I'll love You with all that is in me

I am comming back 'cause You are comming after me And I surrender now

When I lost myself I came alive and You came into me When I let it go I realized You are all I need

Now I'll follow recklessly And I'll love You with all that is in me

I am comming back 'cause You are comming after me And I surrender now

(Come on, Come On)

Now I'll follow recklessly Yeah, I'll follow recklessly Now I'll follow recklessly And I'll love you with all that is in me

I am comming back 'cause You are comming after me And I surrender now (Yeah, Yeah)

I am comming back 'cause You are comming after me And I surrender now Yeah I surrender now Yeah I surrender now

Surrender Now (3x)
