

## Make a Way

Desperation Band

God from God  
Light from Light  
We believe in One Jesus Christ  
Breaking Through  
The Darkest of nights to save  
You alone can save

Hope of Hope  
Strength of Strength  
All our sin is dead in the grave  
Only One has power to save  
You alone can save

Where there is no way  
You make a way  
Where no one else can reach us  
You find us

Jesus, it's always been You, Jesus  
It's always been You, Jesus  
It always will be You
