

Wherever You Go

Desperation Band

I want to be I want to be
I want to be with You my Jesus
I want to be with You
I want to move I want to move
I want to move with You my Jesus
I want to move with You
Wherever You go I want to go
Whenever You call my name
I'll leave everything
I will follow You
Wherever You go I want to go
Wherever You lead me Lord
I will give my all
I will follow You
Wherever You go
Where You go I will follow
Where You go I will follow
Where You go I will follow
Where You go
