

# You Hold It All

Desperation Band

I won't be satisfied  
I won't be found alright til I find  
Who You are

I'd climb every mountain  
I'd travel the deepest valley to find  
Who You are

You, You cause the lame to walk  
You open lips to talk  
You're everything and that is who You are  
You, You calm the storms at night  
You turn the dark to light  
You're everything and that is who You are

My Savior, my Healer, Redeemer  
That is who You are  
Creator, my Maker, my Father  
That is who You are
