

## Beast

## Despised Icon

Beast  
Destroy all that I deplore  
It's time, settle the score  
I'll rightfully take what's mine  
Beast  
Destroy all those that oppose  
Rivals will decompose  
I'll rightfully take what's mine

Curse this new world  
Thin the herd  
A force to be reckoned with  
You will plea for forgiveness  
On your knees, bow to beast

Assuming a higher role  
Tremble as I speak  
Mankind is so weak  
Take control  
Take control  
Assuming a higher role  
Tremble as I speak  
Mankind is so weak  
Take control  
Assuming a higher role  
Rise and conquer, onward

Beast  
Destroy all that I deplore  
It's time, settle the score  
I'll rightfully take what's mine  
Beast  
Destroy all those that oppose  
Rivals will decompose  
I'll rightfully take what's mine

Curse this new world  
Thin the herd  
A force to be reckoned with  
You will plea for forgiveness  
On your knees, bow to beast  
You no longer hold the crown

Icon is back  
On your knees, bow to beast  
Icon is back  
Icon is back  
On your knees, bow to beast  
Icon is back  
Icon is back

Bloodshed is what I crave, open graves  
No fear  
Face first, keep your conscience clear  
Bloodshed is what I crave, misbehave

Beast
