

Death Of An Artist

Despised Icon

Never to be broken

I carried out my mission
Walked through the mud
Revelled with great ambition

A pact made in blood

Nothing mattered,
None could shatter the oath

Never to be broken

Fade Away

Vivid visions are fading away
Incandescent dreams aren't always all that they seem

Every rendition filled with passion and tears
Passion and tears
Barely survived the flood

A pact made in blood

The spark grew dim as I spread myself thin
Spread myself thin
A crooked scale and a broken promise

Never
Never to be broken
Never
Never to be broken

Vivid visions are fading away
Incandescent dreams aren't always as they seem

They fade away
Vivid visions are fading away
They fade away
Dreams aren't always... all that they seem

This is the death of an artist,
End of an ego
Out of the limelight,
An unspoken hero

I am reborn
Ruin and redemption
I am reborn
I am reborn

This is the death of an artist,
End of an ego
Out of the limelight,
An unspoken hero

Death Of An Artist

An unspoken hero

I am reborn

Vivid visions are reappearing

I feel it in my bones

I am reborn
