

# BAD BITCHES

Destin Conrad

I been in and out your city for a week, baby  
Overwhelmed or over attached, you're a genius  
Every day that we live, it's new under the sun, baby  
I'm crashing out, I been going in this whole week

I hit the stage, crowd jumpin' overseas, I'm in Dublin  
Price going up, it's doublin', feel like I'm on drugs  
I might need go and get some new shit to stunt in  
Shit like this ain't nothin', you knew what it was  
Before you came over here, you call and say you comin'  
That's what I need from you, let me know you're here  
I don't mean to come off aggressive  
But I'm finna act a motherfucking ass

In this bitch, I'm finna black, black, black, black, black, black, black, B  
Don't know why you keep teasin' me like that, I know you na-a-a-a-a-a-asty  
Finna pull up to the club with some bad bitches  
Bad bitches, bad, bad bitches  
Some bad bitches, bad bitches, bad  
This shit right here is for the baddies  
These hoes ain't on none like Natalie

I'm finna black, black, black, black, black, black, black, B  
Don't know why you teasin' me like that, I know you na-a-a-a-a-a-asty  
Finna pull up to the club with some bad bitches

Red light silhouette with your body on me  
All gas no breaks until the tank is on "E"  
When the club close take you home new scenery  
Just you and I in the Rolls until the sunlight peak

I hit the stage, crowd jumpin' overseas, I'm in Dublin  
Price going up, it's doublin', feel like I'm on drugs  
I might need go and get some new shit to stunt in  
Shit like this ain't nothin', you knew what it was
