

# CAUTIOUS

Destin Conrad

Ooh-oh, oh  
Woah, woah  
Woah, oh

Won't you come find me later today?  
Won't you come by me and lay here with me?  
It's kinda like, oh-oh-oh  
Oh-oh-oh, woah

Maybe I'm cautious, maybe I'm cautious  
Maybe I'm scared, but maybe I'm cautious  
Maybe I'm biased, maybe I'm cautious  
Maybe you're scared, but come over, why don't you try it?

Something new (Something)  
Something new, yeah (Something)  
Something new (Something)  
New, new (Something)

Won't you come find me later today?  
Won't you come by me and lay here with me?  
It's kinda like, baby I'm close, and baby, I'm closer  
I can make you floetry, Marsha Ambrosius  
I don't know what's up, baby, I'm torn  
Knowing you're leaving me wanting more  
Say oh-oh-oh  
Oh-oh-oh, woah

Maybe I'm cautious, maybe I'm cautious  
Maybe I'm scared, but maybe I'm cautious  
Maybe I'm biased, maybe I'm cautious  
Maybe I'm scared, but come over, why don't you try it?

Something new (Something)  
Something new, yeah (Something)  
Something new (Something)  
New, new (Something, something)  
Something new (Something)  
Something new, yeah (Something, something)  
Something new (Something)  
New, new (Something, something)
