

CLOSURE

Destin Conrad

Guess you call that closure
Yeah
Got down
Guess you call that closure

Only want you right here
Swing smooth and right, yeah
You know what to do, you're right here, yeah
I don't know what you're doin', right, yeah
Cut right through me, yeah, yeah
I don't know what to do with you right now, yeah

I guess there's enough of what you're talking about, yeah
You probably feel like you let me down but
One step ahead of you, yeah

Yeah, yeah
Damn

Only want you right here
Swing smooth and right, yeah
You know what to do, you're right here, yeah
I don't know what you're doin', right, yeah
Cut right through me, yeah, yeah
I don't know what to do with you right now, yeah

Yeah
Got down
Guess you call that closure

Yeah
Got down
Guess you call that closure

(That's enough, I don't know what you're talking about, yeah)
Got down, got down
Guess you call that closure

(That's enough, I don't know what you're talking about, yeah)
Oh, got down
Down
Guess you call that closure

(Got down
Guess you call that closure)

I know there's a lot going on
And what you mean to say and how you feel, yeah
All in, where should we go?
And what you need from me is what I give, yeah

That's enough
You're wasting your time
You call that closure
But it's such a thin line oh, yeah

Only want you right here

Swing smooth and right, yeah
You know what to do, you're right here, yeah
I don't know what you're doin', right, yeah
Cut right through me, yeah, yeah
I don't know what to do with you right now, yeah

Don't know what to do with it
Do with it
It's what I choose, move with it
However you move it, yeah, yeah

You know what to do with it, yeah, yeah
You know what to do with it, yeah, yeah, yeah

Got down
Guess you call that closure
