

Racks on my baby, yeah
Tats on his body, too
You act like ain't nobody here
That's the type of shit I'm into
Spending racks on my body, yeah
Babe, that's the type of shit I'm into
I don't know nobody here, baby
I just had to come and get you

Fuck me up, yeah
Treat me like the plug, baby
Come show lovin', ah, yeah
And I don't need nobody but your body, baby
Fuck me up

Say what you want but don't say "no"
You know I want the whole thing, yeah
Don't know how much more I can go
Go, go, go, go, go, go, go, go
That shit dangerous
Dangerous
I'm gon' pay for this, I know
Pay for this, I know
Boy, I need it slightly, yeah
Fuck with me, baby, excite me

Come fuck me up
Treat me like the plug
Baby, come and show love, love, love
And I don't need nobody but your body, baby
Fuck me up

Treat me like the plug

Come fuck me up
Make me feel like I'm the one
Fuck me up
Don't care if it's real
I just wanna feel something
And I don't care, I don't care, don't care
Come fuck me up
Make me feel like I'm the one
Make me feel like I'm the one
I don't care if it's real
I just wanna feel something
The one, the one
And I just wanna feel something
Told me you gon' fuck me up
Told me you gon' fuck me up, baby
Fuck me up

So, baby, gon' fuck me up
Fuck me up, baby
Fuck me up
Here you go, baby, yeah
Fuck me up
