

IT'S ONLY YOU

Destin Conrad

I got a lot of boys that I left on read
But you still can't figure me out
Just 'cause of the day that I was born
You said that you got some doubts
Boy, you can't blame me for not wanting to say what I been drea
ming about
Think it's my ex, you think it's some next dick

Oh, baby, it's you
It's only you
Oh, baby, it's you
It's only you

In the back of my mind
You stay in the back of my mind
You stay in the back of my mind
In the back of my mind
You stay in the back of my-
You stay in the back of my, my, my-

You really think I sit here and cry for you, cry for you
You really think I get down on my knees for you
Baby, we been down this road before
You really think I call up my homegirls to find out, I figured
out
Fly out to Florida
Figured I'd flat out ignore you
But, baby, I wanna know
What you was up to that night
But, baby, I wanna know
But I don't want to fight

Oh, baby, it's you
It's only you
Oh, baby, it's you
It's only you

In the back of my mind
You stay in the back of my mind
In the back of my mind
You stay in the back of my-
You stay in the back of my, my, my-
