

MAKE IT UP

Destin Conrad

Since my eyes been open
And we talk in the morning
It's best that I get dressed
Before we're too far gone, yes?
We were up six in the morning
Smokin' and talkin'
Match your breath, your chest
I rest

Rest out on your body
My body
And how we alone
Alone
I know I said I'd see you tonight
But I think I'd rather be alone
But I will make it up

I'll make it up to you
I'll make it up to you
I can't say what I'm gon' do
I'll make it up to you

I know I said that I would make it out tonight
But something in my body just ain't sittin' right
I'm sorry that I let you down, I-let you down
Babe, I'm in the zone
Think I'm stayin' home
Maybe you can come over next week
I'm gon' be around for my show, I wanna see you
Standing right there in front row
R&B bumpin' through your speakers
Baby, take it easy on me

I rest it on your body
My body
I like when we're alone
I know I said I'd see you tonight
But I think I wanna be alone
But I'll make it up

I'll make it up to you
Make it up, make it up, make it up
I'll make it up to you
To you
I can't say what I'm gon' do
Can't say what I'm
I'll make it up to you
Make it up
