

PARTY WIT U

Destin Conrad

All I, all I, wanna do

All I wanna do is party with you
Seat back, Italy coupe, these niggas on you
Get back, they doin' too
Back, ooh
Much, hey, I know you look
Good, I'm feelin' you
So what you doin'?
How you rock and how you move
Rock
Move
And how you do it all black
Black
It's tinted too
I don't know shit about you
Been wanting to
We could go out for a drink
Or maybe two
I wanna party with you

All I wanna do
Party with you
All I wanna do
Party with you

Last time I saw you, we had chemistry
Think I'm into you but I cannot read the energy
Are you into bands? 'Cause I see one your shirt
Shirt
I wanna make advances, I don't know how to flirt
I'm gon' give you a chance, first I'm gonna make you work a little
Feel like Aaliyah, how I work the middle
Partying with you gon' be a good time
Good time
I can tell by the way that you move
I wanna see you party with me
Party with me
Party with me
Do something I don't do, don't do
Yeah, baby, I wanna see you party with me
Party with me
Party with me
Who else can I run to?
What I won't do, won't do

All I wanna do
Party with you
All I wanna do
Party with you
All I wanna do
Party with you
All I wanna do
Party with you
God damn

Party, uh, uh
