Love me, boy, say you love me, boy  
Love me, boy, say you love me back  
Love me, boy, say you love me, boy  
Love me, boy, say you love me back

This for my bitches gotta up, down, jump in them jeans just to fit  
Top down, rollin' 'round the city, that's my bitch!  
My nigga ball and he make them pieces hit  
Pretty in the face, love that pretty boy shit  
Say he love me, is it bad I don't love him back?  
I've been up for 24 hours and a half  
Met him on the late night, I was in my bag  
When he say he love me, he say, "Baby, say it back"

Ooh, love me, boy, say you love me, boy  
Ooh, love me, boy, say you love me back  
Ooh, love me, boy, say you love me, boy  
Ooh, love me, boy, say you love me back

This shit gon' slide, I'm just waitin' for the kick  
Top down, rollin' 'round the city in this whip  
My nigga tall, he hop in and make it fit  
Pretty in the face, I love that pretty boy shit  
Say he love me, is it bad I don't love him back?  
I been up for 24 hours and a half  
Met him on the late night, I was in my bag  
When he say he love me, he say, "Baby, say it back"

Ooh, love me, boy, say you love me, boy  
Ooh, love me, boy, say you love me back  
Ooh, love me, boy, say you love me, boy  
Ooh, love me, boy, say you love me back

Aye, young west-side nigga, what you doin' in LA?  
Ain't no use in actin' shy, I know you a freak  
Can I eat it from the back and put that ass up on a plate?  
Can I hit it in the shower like the old days?  
Aye yo, Destin, where you goin' with the pretty-ass waist  
And them pretty-ass lips on that pretty-ass face?  
I ain't tryna come between you now, I know you got a bae  
But if he fuck you over, nigga, you know where I stay

Ooh, love me, boy, say you love me, boy  
Ooh, love me, boy, say you love me back  
Ooh, love me, boy, say you love me, boy  
Ooh, love me, boy, say you love me back

I love you, boy, I love you, boy  
I love you, boy, say you love me back  
I love you, boy, I love you, boy  
I love you, boy, say you love me back
