

SO NICE

Destin Conrad

Don't look for no one to save you
I'm not perfect, but I make do
I'm on the verge of a breakthrough

I'm finding beauty in the silence
I got more peace than I got violence
Negativity behind me
Don't gotta answer to nobody

It's okay
It's alright
My life is so nice
Yeah, yeah, yeah
What's mine is mine
I wake up and I roll the dice
My life is so nice
Yeah, yeah, yeah

Buy all these fly things
That's how I'm coming now
I fly my mama and my sister and my cousin up
Just to try things
Trying new things
And when I sing
City come alive
We used to kick it
Now I kick it into overdrive
No more tears for crying

It's okay
It's alright
My life is so nice
Yeah, yeah, yeah
What's mine is mine
I wake up and I roll the dice
My life is so nice
Yeah, yeah, yeah
