

WAR!

Destin Conrad

I would smash the windows out your ex's car without a second thought, baby
I would gladly take the fuckin' charge and that's a criminal offense
If you need money, swipe a couple credit cards and start committing fraud, baby
For you, I'd do it all, baby
For you, I'd go to war
I would drive across all of the states from LA to New York, baby
I would take the L to the Q to the F to the 1
If you wanted to smoke, I'd buy some weed from the nigga in the park, baby
We finna roll it up, baby
We finna go to war

I'd go to hell for that dick
Splash all the bottles of Chanel for that dick
Ball for his baby mama, just wild for that dick
Shit, I might as well for that dick
Bail a nigga out of jail for that dick
Steal a couple cars just to sell for that dick
I'll sing Adele for that dick
Rolling in the deep for that dick
I'm finna go to sleep for that dick
I'm awake for that dick
I was almost late for that dick
I was baking a cake for that dick
What's the rate for that dick?
I'll pay for that dick

Alright, you're buggin'; yeah, bitch, you dragged it
You did too much, bitch, too much
Can I [?] it if you got it?
Right? Right, alright
For you, I'd go to-
