

yo confidence, pt. 2

Destin Conrad

Me, I'm not fin-, no, I'm not finna be submissive, that's that
So, go'n head, wrap that propaganda up
Because these, these is the niggas
God, these is the niggas you want us to be submissive to
Talkin' about, "It's in the Bible"
How about they don't got no confidence?
That's the word we should be saying
It should be "confidence" too
Because they can't even look a bad bitch in her eye
So, if they want me to be submissive
They need to bring something for me to be submissive to, hello?
