

Ignorance & Consequences

Destination Anywhere

You say I won't make it alone
(Step back watch your back cause I've checked what you said)
You can't distress me anymore
(I'm very sure I'm self assured)
Can Make me stumble but not fall
I'm here with me I'm doing fine
This is who I am and nothing more
(You can't break me I won't break down)

And there is so much left to say
You wouldn't get it anyway
And I can't say I'm here to stay
But I'm on my way

Ignorance and Consequences
hate and all its friends
Bitter past and glorious future
Life is a romance

You think you caught me go away
I'm not your slave and I'm okay
And I need help it's what you say
I hate advices anyway
You can't control me anymore
Come on and try to come on and try to
I'm no the same and that's for sure
(Come on and find out you'll never find out)

And there is so much left to say
You wouldn't get it anyway
And I can't say I'm here to stay
But I'm on my way

Ignorance and Consequences
hate and all its friends
Bitter past and glorious future
Life is a romance

This is a song about defence
And there is no more anxious suspense
You cannot put me in the shelf no more
I'm self-assured now

Ignorance and Consequences
hate and all its friends
Bitter past and glorious future
Life is a romance
