Fall Back

Destiny Rogers

Bitch dedicated, dedi-, get it, get it, girl
Bitch dedicated (Yeah, yeah, yeah)
Bitch dedicated, dedi-, get it, get it, girl

You tryna FaceTime but I don't wanna waste time with nobody
If you ain't sure about what you want, what's the point at all?
I'm living my best life got things on the hotline ring, yeah baby
If I don't keep it one hunnid with ya
Me and you will always have this issue

I'll make up your mind
You ain't gotta worry
You ain't gotta lie
You ain't gotta love me
Don't fuck up the vibe
Why you bein' petty?
You gotta stop bein' a bitch

I don't have a trip, that's not what I do
All I know if you can't make a choice I'mma choose for you
Every single time you hit me up with a new excuse
I just fall back, I just fall back (Yeah, yeah, yeah)
Anytime I think that we gettin' close
You get out of pocket with the shit start doin' the most
I just hope your energy's the same soon as I go ghost
I just fall back, I just fall back

Bitch dedicated, dedi-, get it, get it, girl
Bitch dedicated
Bitch dedicated, dedi-, get it, get it, girl

And like none of these others know
I got the bag if you wanna roll
I got the trees if you wanna smoke
You should fuck with me 'cause I'm really gosh, yeah baby
I gotta be your number one
Can't settle for no number two
So go ahead and keep playing dumb
So you don't have to face the truth

I'll make up your mind
You ain't gotta worry
You ain't gotta lie
You ain't gotta love me
Don't fuck up the vibe
Why you bein' petty?
You gotta stop bein' a bitch

I don't have a trip, that's not what I do
All I know if you can't make a choice I'mma choose for you
Every single time you hit me up with a new excuse
I just fall back, I just fall back (Yeah, yeah, yeah)
Anytime I think that we gettin' close
You get out of pocket with the shit start doin' the most
I just hope your energy's the same soon as I go ghost
I just fall back, I just fall back

All my independent girls let me hit you one time (Yeah, yeah, yeah)
All my get it, get it girls, always lookin' so fine (Yeah, yeah, yeah)
See my bad ass bitches put yo' hands to the ceilin'
(Yeah, yeah, yeah)
If they ain't with it, let 'em know
Fall back quick I'mma let you go

I don't have a trip, that's not what I do
All I know if you can't make a choice I'mma choose for you
Every single time you hit me up with a new excuse
I just fall back, I just fall back
Anytime I think that we gettin' close
You get out of pocket with the shit start doin' the most
I just hope your energy's the same soon as I go ghost
I just fall back, I just fall back
