## Sail On

## **Destiny's Child**

Sail on down the line 'bout a half a mile or so And I don't really wanna know, where you're goin' Maybe once or twice you see, time after time I tried Tried to hold on to what we got, but now you're goin'

And I don't mind about the things you're gonna say, lord I gave all my money and my time I know, I know it's a shame But I'm giving you back your name

Guess I'll be on my way I won't be back to say I guess I'll move along I'm looking for a good time

Sail on down the line, ain't it funny how the time can go All my friends say they told me so but it doesn't matter It was plain to see that a small town girl like me Just wasn't your cup of tea, I was wishful thinkin'

I gave you my heart and I tried to make you happy And you gave me nothing in return You know it ain't so hard to say Would you please just go away

I've thrown away the blues
I'm tired of being used
I want everyone to know
I'm looking for a good time, good time

Sail on, honey, good times never felt so good Sail on, honey, good times never felt so good Sail on, sugar, good times never felt so good Sail on, honey, good times never felt so good
