

# Italian Boi

Destrage

Sucked on a cup  
Four tears of joy  
Last night I hooked up  
With an Italian Boy

I bit on the straw  
When I heard his voice  
Has the look of a movie star  
My Italian Boy

He takes his food so seriously  
He takes his Mom so seriously  
Submissively  
Yeah  
Family: priority

He takes his look so seriously  
He takes his sex so seriously  
Obsessively  
Yeah  
When we get down at it  
He poses like a Greek God, but Italian

He comes, always late  
And leaves shortly after, goes to a party  
No peculiarity  
If his hands talk the talk  
If his heart breaks yours

Yeah  
Che cazzo dici, Fra?  
What are you talking about  
This stereotype is based on patterns and facts

He takes his manners so seriously  
So thoughtfully  
Gets the bill, ultimately  
Mansplains things so carefully  
Gentleman or just a chauvinist?

Italian Boy, when I fell for you  
I was so sure about my choice  
Italian boy, what is wrong with you?  
Are simple things so hard to enjoy?
