Destroy Boys

Nails through my baseball bat  
I'm telling you to step back girl step back  
You're dead you're dust you're sewage now  
You dug your grave and then you asked me how

It's in my bones  
She stepped into my home  
It's in my bones  
The game is rigged and the dice are my own

You know what you said  
You know what he did  
And you play along like he's innocent  
Like he's innocent

I hope what you took away you never get back  
I hope what you took away you never get back

Bricks on feet underwater  
He's your golden martyr  
She asked me to speak twice so I shot her  
So I shot her  
Bricks on feet underwater  
He's your golden martyr  
Your golden martyr  
Your golden martyr

It's in my bones  
She stepped into my home  
It's in my bones  
The game is rigged and the dice are my own

You know what you said  
You know what he did  
And you play along like he's innocent  
Like he's innocent

I hope what you took away you never get back  
I hope what you took away you never get back

You know what you said  
You know what he did  
And you play along like he's innocent  
Like he's innocent

I hope what you took away you never get back  
I hope what you took away you never get back
