

Button up my collared shirt
Might fuck around and wear a skirt
Darken the hair that shouldn't be there
Hide your kids, best beware

Get problems/weight lifted off my chest
Or at least suppress until further notice
Not to be contained
Though I'm a fan of a boxy shape

Bind me up, but not for long
Adjusting to another thought, feels so wrong

Men who feel femme, am I one of them?
Jealous of arrows that hit the same target
Do they realize that their bodies are erotic

So many things that I'd like to change
But I don't mind if I stay the same
Maybe I'm a fag instead of a dyke
Maybe I'm both at the same time

Bind me up, but not for long
Adjusting to another thought, feels so wrong
