## Destroy Lonely

Oh, yeah-yeah  
Oh, yeah-yeah (Underworld)  
Oh, yeah-yeah  
Oh, yeah-yeah

No, I won't be home for long  
Mama say, "You always gone"  
Need that cheese, that provolone  
Bad bitch, she left with Lonely, no, she not comin' home  
Put that bitch on Opium, she geeked up out her mind, she gone  
What I rock, Givenchy, ho', coulda bought the whole damn store  
Where the fuck my mind go?  
Where the fuck my time go?  
Sleep with all my ice on  
Double cup my styrofoam  
Need a lil' more ice, ho'  
Need a lil' more ice, ho'

Yeah, lil' Lamb, I'm whippin' that  
VETEMENTS, yeah, I'm drippin' that  
Her ass fat, I'm grippin' that  
Where the fuck my niggas at?  
Makin' plays like running back  
Plug front me, fuck, I'm runnin' off  
Touchdown in LA, nigga  
And we finna shoot a movie, dawg  
Black truck with the windows tinted  
Only seven seats but the whole gang in it  
And she fuck with me 'cause I ain't her nigga  
Livin' luxury and I ain't pretendin'  
All types of bad ass women  
All kinds of fast ass whips  
We 'bout to go to the gun store just to buy some brand new trips  
Weed on my clothes, baby, can you smell that shit?  
Damn, man, I got cold, and my new coat cost a brick  
Damn, man, I broke that code, guess I gotta cut that shit  
Nigga, if you goin' broke, better go and cut that brick
