

# HONESTLY

Destroy Lonely

I can't lie, I wish you was here  
Honestly, this shit getting real  
I've been feeling bigger than big  
Pour it up, let's crack us a seal  
I can't lie, I wish you was here  
Honestly, this shit getting real  
I've been feeling bigger than big  
Pour it up, let's crack us a seal

I been living through all my nigga  
I been stuck inside in the crib  
Don't worry about how long you been with us  
Honestly, she probably not your bitch

Honestly, honestly, that's probably not your ho  
She just let me Michael Jordan, dunk all on her throat  
Honestly, these pointer tennis chains about to choke  
Honestly, honestly, these nigga going broke  
Honestly, honestly, this love last forever  
Honestly, honestly, I'm the plug and that's forever  
Honestly, honestly, I got bags, yeah, wherever  
Honestly, honestly, this money living forever

Be honest with me, I know you miss me, shawty, keep it G  
Be honest with me, I always thought it'd be you and me  
Rihanna shit, fashion killer, and her ass in them jeans  
Honestly, this bitch really something that I need  
Honestly, this bitch probably might be made for me  
Honestly, I'm about to hop in that pussy and just ski  
Honestly, I'm about to beat it up just like a beat  
Honestly, if this ho might leave, I might just tweak  
If I'm being honest. I-  
It just, it wasn't 'posed to be like this  
But at the same time it was supposed to be like this, so it's l  
ike (Money)  
Shit

I can't lie, I wish you was here  
Honestly, this shit getting real  
I've been feeling bigger than big  
Pour it up, let's crack us a seal
