Destroy Lonely

Okay, okay  
Oh yeah

Damn, this chopper gon' sing like RiRi  
All these niggas cappin', no, they chains not VV  
And the way I'm touching money you would think I had a genie  
The Glock got a drum, that's a fifty  
Got 'em in the stick, got some big-ass titties, hundred rounds  
My lil' niggas sparkin' up, bitch, I'm bloody now  
I thank God I jugged me like a hundred thousands

I'm so, so deep in this bitch, hope I make it out  
Damn, this bitch want my heart, hope I take out  
Put my niggas on a lick then they staking out  
That's your bitch? I'ma take her out  
Smoking on Runtz now (Runtz now)  
I got ash on my designer clothes now  
Got the good bitches actin' like hoes now  
And I got this shit all on my own, wow  
Just keep it real, I can't fuck with the fake, baby  
I'm a true slime, might just snake a nigga  
I'm in a fresh 'fit, gotta take a picture  
I'ma come clean, man, I don't need to fear you niggas  
And I'm in this bitch and I'm piped up  
I think I know why these niggas don't like us  
It's 'cause nobody can do this shit like us  
We get this money and they bitches like us

Nobody can do it like this (Oh yeah)  
Can't nobody do it like this  
Can't nobody do it like this, dawg  
(No, nobody)  
(No, nobody)  
(No, nobody like this)
