

PIMP TALK

Destroy Lonely

I'm with 88
Rah

The bitch want dollars
The ho gon' get it
A milli place, yeah, a young nigga spent it
The crib so brazy, come check how I'm livin'
My diamonds look like Skittles
Every color different
My bitch a lil' squirter, her sister a lil' spiller
My brother locked up for murder
Free all of my killers
Hell nah, I ain't worried, I'm a top floor nigga
Hell nah, you can't get this size, this shit here expensive
This bitch here expensive
This wrist here expensive
This Rick pair expensive
This shit here expensive

All my ice, all my ice bite, nigga grippin'
Shawty's riding, munch, Ice Spice, she damn near bit me
I'm with 88, dropped a hunnid thousand on these tennis
Lil' bitch, I'm trippin', yes, I'm going Scotty Talm Pippen
I just gave yo' bitch my ride, man, I ain't talking Dennis, I'm on top, let's get it
Check out all these bitches, damn, I'm livin'
Check how I'm whippin', V12 in my engine, shit ain't rented
I pour purple in it, feelin' a little dizzy, I ain't tipsy
My head keep spinnin', I keep on forgettin' different women
My windows tinted, lights off in the mansion, keep 'em dim lit
