

Brighter Side

Destroy Rebuild Until God Shows

I built these walls to protect myself
You fell in love but with somebody else
I am flawed but I'm no fool
Wish I could've seen the truth
I built this whole world without you

Wake up, I'm calling
Don't tell me you're sorry

So I'll go on with my life
Til I'll see you on the other side
The sun is up and I've seen the light
Til we reach each other on the brighter side
(Til we reach each other on the brighter side)

Wake up, I'm calling
Don't tell me you're sorry

I don't care what you think about me
Cause under the surface I carry this burden
Written in cursive and it makes you nervous
You never could recognize what you see

So I'll go on with my life
Til I'll see you on the other side
The sun is up and I've seen the light
Til we reach each other on the brighter side
(Til we reach each other on the brighter side)

Wake up, I'm calling
Don't tell me you're sorry

(Wake up)
(Wake up)

So I'll go on with my life
Til I'll see you on the other side
The sun is up and I've seen the light
Til we reach each other on the brighter side
(Til we reach each other on the brighter side)

Wake up, I'm calling
Don't tell me you're sorry
