

## Glass Sky

Destroy The Runner

You threw rocks at the sky  
And watched it fall as I  
Can't do anything, can't do anything  
I watched as you tried to  
Take your own life and I  
Can't do anything, can't do anything  
As you walk and wear your bones  
Death preys over you to come home  
You want to feel the pain  
It's the closest thing that remains  
Death wonder, you're going under  
It's the darkness you hold on to  
Those ghosts still haunt  
Stuck inside until you rot  
You threw rocks at the sky  
And watched it fall as I  
Can't do anything, can't do anything  
I watched as you tried to  
Take your own life and I  
Can't do anything, can't do anything  
And you feel there's nothing  
Nothing to explain  
Sorrow is your only keeper  
As you dig deeper and deeper  
Death will silence  
Your tongue  
You threw rocks at the sky  
And watched it fall as I  
Can't do anything, can't do anything  
I watched as you tried to  
Take your own life and I  
Can't do anything, can't do anything  
I wonder if you'll die  
And yet I, instill try  
Can't do anything, can't do anything  
I know this to be true  
Cause I, I am you  
I know this to be true  
Cause I,  
I am you  
I am you  
I am you!
