Sound Of Reason

Destroy The Runner

I feel so weightless
Nothing inside is keeping me grounded
My self-decay brings tears to my eyes
Fingerprints of the dead descend on my window
I feel it's all I see, I feel it's breaking me
Haunting words of emptiness

(I'm not afraid) I'm not afraid, so take me
So take me, I feel it's breaking me
(I'm not afraid) I'm not afraid, so take me
So take me, I'm dead inside, so save me

As a new campaign marches across the dead
In uniform with one vision: Delivering Our Children
Each step making a sound of reason
Breaking and burning caskets
Marching across the dead

(I'm not afraid) I'm not afraid, so take me
So take me, I feel it's breaking me
(I'm not afraid) I'm not afraid, so take me
So take me, I'm dead inside, so save me
