

# Hell Is An Open Door

Destroyer

I'll take my chances on the road  
On the inside, I'm an ocean  
Like a wheel set into motion into the storm  
I'll take my chances  
I'll take my chances on the road  
On the inside, I am an ocean  
Like a wheel set into motion into the storm  
I'm coming home, I'm coming home

Every murderer voted out of office is sold down the river  
Every time I try to look into your eyes, an angel flies by

Baby, it's dumb  
Look what I've become  
Scum  
A relic  
A satellite

I was born bright  
Now I'm dark as a well  
A kite washed up on the shoreline  
It's hell down here, it's hell

It's hell down here, it's hell  
It's hell down here, it's hell  
It's hell down here, it's hell  
It's hell

It's hell down here, it's hell  
It's hell down here, it's hell  
It's hell down here
