

I, As McCarthy

Destroyer

One standing trick:
"Play dead," you said.
Holdin' up the hoop,
I'm beggin' you to fall through.
Cat's can't do that,
But dogs don't stop(?).
I rock around the clock, I mean,
I walk around the block.

If I know you, and I think I do,
You'll be over in the corner store
And singin' in tune.
Yeah, if I know you, and I think I do,
Just like a paid holiday
(hoist the balloon?) and say,
"My McCarthy days are through."
Oh-ho!
"My McCarthy days are through."
Oh-ho!
"My McCarthy days are through."

Ooh, ooh (yeah) woo-ooh
