The leopard of honor speaks to a crowd of the dead, shouting ou  $\ensuremath{\mathsf{t}}$  for more

Suspiciously formed of the fast ones, you must always leave the m wanting, he said

So we went down to the store

I saw you at the store

Now, in this regards, where do I start to keep us free - keep us apart?

I wanted to speak up, but it was not my place

Just some little shit in love with your eyes - a brute adrift in space

Pirouettes across the sky's faces where you'll find me

I was dead on my feet

Asleep for days

A stranger to the sun's brutal gaze, ah yeah

Mother Superior's the only one who calls

She says, "Hey, when are you ever coming over?"

Remove that wretched writing from the wall

It's just more pictures again.

Jenny fell like a ton of bricks

Jenny fell like a ton of bricks

These are characterized as special times, and these are special times  $\ensuremath{\mathsf{--}}$  oh

Jenny fell like a ton of bricks

She travels in and out of you like some shade whistlin' Dixie I didn't know why, I guess I was high

Sick mansions freckle the skies, saying, "For Christ's sakes, i nhabit me"

I was dead on my feet

Asleep for days

A stranger to the sun's brutal ways, ah yeah

Mother Superior's the only one who calls

She says, "Baby, when are you ever coming over?"

Enjoy the wretched writing on the wall

Enjoy!

Will the leopard of honor speak? Will the leopard of honor speak?

Please stand, open your mouth, put out your hand and say

"I saw you standing there singing for money"

Going dum da da dum
