

Spring Cleaning

Destroyer

Tossed aside or thrown asunder
It's not your fault you forgot to wonder
If I was alright
It's not wrong, you're so strong, so to speak
It's not wrong, you're so strong, so to speak
It's not wrong, you're so strong, so to speak

Tossed aside or thrown asunder
It's not your fault you forgot to wonder
If I was alright
It's not wrong, you're so strong, so to speak
It's not wrong, you're so strong, so to speak
It's not wrong, you're so strong, so to speak

Everyone needs a reason
To assassinate the days
This time it's spring
Cleaning

Everyone needs a reason
To assassinate the seasons
This time it's spring
