

## Your Blues

Destroyer

Why does every one of her lovers leave her?  
I'm ill-equipped to judge the tale of a woman.  
"That inviting army slut!... The Colonel's in a rut!" - back at  
the base they're saying -  
Now each day when he awakes his prayers take the form of one qu  
estion -  
"How is it that we can be both Skating  
and Dying?  
Lord knows I've been trying..."
