Destruction

D.Evolution

Confusion, Last Solution

-Our mighty technology obscures our decay
step by step, fucking regret

-Our modern economy is not meant to stay

Once I believed - in progress

Once I Had dreams - and success

My state - your home - our base of life

dead and buried in the stillborn ego

Of our inner strife

D.E.V.O.L.U.T.I.O.N.

World is out of hand

D.E.V.O.L.U.T.I.O.N.

We're cavemen on command

D.E.V.O.L.U.T.I.O.N.

We're buried in the sand

Disillusion, of a system

- That does accelerate

It's own disarray

The Theory, of Evolution

-Just a note in the book

Of Human Decay

Once I believed - in good morals

Once I Had dreams - ain't no quarrels

My pride - Your honor has been sacrificed

For This unholy cash machine

Hath no one can deny

D.E.V.O.L.U.T.I.O.N.

This World is out of hand

D.E.V.O.L.U.T.I.O.N.

We're cavemen on command

D.E.V.O.L.U.T.I.O.N.

We're buried in the sand

D.E.V.O.L.U.T.I.O.N.

Once i Believed - in progress

Once i had dreams - and success

D.E.V.O.L.U.T.I.O.N.

Once i believed - in progress

Once i had dreams - and success

My state - your home - our base of life

Dead and buried in the stillborn Ego
