

Devil's Advocate

Destruction

A poisoned culture □ Based on lies, war & deceit
Slaughterhouse philosophy □ Cruel butchers are hard to beat
The law of the game □ Is the law of the bloody blade
Dictated by lunacy □ It's the fall death serenade

[Bridge:]

War □ As the essence of a painful life
Decay □ The stream of death agony will ride

[Chorus:]

Hate □ Hate is my fuel
The mob is just tool
Hate □ Hate is my fuel
I'm the lord of misrule
Death brings us together as one □ The feel to be second to none
Shameful should be the gluttonous □ What makes a real genius?
Erases all the treasures □ Wipes out all fame, affluence and we
alth

Recognize the afterlife freedom □ Won't be based on stealth

[Bridge:]

War □ As the essence of a painful life
Decay □ The stream of death agony will ride

[Chorus:]

Hate □ Hate is my fuel
The mob is just tool
Hate □ Hate is my fuel
I'm the lord of misrule
Insanity □ We do rape, wreck and then □ We search for an excuse
Decay □ We all gonna rot, we're all the same on the final cruise

Modesty □ Is so hard to find, is this a curse □ Is this real?

Consistency □ Is a gift of life, education is the deal

[Chorus:]

Hate □ Hate is my fuel
The mob is just tool
Hate □ Hate is my fuel
I'm the lord of misrule
