

Hellbound

Destruction

Ripping through the clouds at the speed of light
I'm gonna shoot him down if he gets in my sights

I'm hellbound, spellbound
I'm shot down, heading for the ground
I'm hellbound, spellbound
I'm shot down, heading for the ground

Now I'm closing in, he's got some dues to pay
I've got no thoughts of pity, his end is on his way

I'm hellbound, spellbound
I'm shot down, heading for the ground
I'm hellbound, spellbound
I'm shot down, heading for the ground

Now he's on my tail and there's a smile on his face
Half a second later and I'm wasted in space

I'm hellbound, spellbound
I'm shot down, heading for the ground
I'm hellbound, spellbound
I'm shot down, heading for the ground

No, no

I'm hellbound, spellbound
I'm shot down, heading for the ground
I'm hellbound, spellbound
I'm shot down, heading for the ground....
