

Whorefication

Destruction

People wanna be a star
In this modern media world
Like an obscure bazaar
Egos have been hurled
What a vanity fair
Go sell your soul
For a like or a share
Show your life as a whole

Whoreification
Sell out your soul
Glorification
Scroll, scroll, scroll

Decay of values
Skunks being crowned
Moral on the loose
The foxhound
The foxhound

Prostitute your image
Cheap and slick
Pretend to be cool
Turn the trick
Keen on the pay-role
Show it all for a dime
Slutty on parole
Idiocy ain't a crime

Whoreification
Sell out your soul
Glorification
Scroll, scroll, scroll

Decay of values
Skunks being crowned
Moral on the loose
