A piece of cake - to not be impressed
By those who are - resolved & possessed
Caught in their cage - cage of routine
Anything different - seems to extreme

Evil - lethal - primeval - retrieval
Express yourself - is being rebel illegal?

Facing the truth hurts like the stitches of a needle!

Fuck your rank - and your file!

The best way to break out - of the fixed path
Is to ignore the gossip - and create wrath
Realize their world is just - build on lies
A fake society - a world in disguise

Doomed by conformity!
