## **World Domination Of Pain**

## Destruction

It knocks at the door - no ones been there before Questions and fear - the big change is near. Can we read the signs - about mankind's down fall Prophecy of truth - millennium scares our youth. Will the forecasts prove - what old legends did tell In the decade of pain - no one will remain Desperate eyes - watch the burning skies Killing machines - death bringing dreams! Centuries ago - some wish man did know about our spell - we'll all go to hell! In the 7th month 1999 The king of terror will start his death machine The 3. Antichrist will turn sun into darkness His domain will be creeping success World domination of pain World domination of pain ... One thousand years of wars, Who knows what's the fucking cause, A world domination of pain, The millennium of the insane! World domination of pain ...
