

Amazing Rockzo

Dethklok

Amaze g-g-g-grace
How sweet the sound
Is this in G? Baby, I was told this was-
Uh, this is in F
Uh, in, uh, a wretch like me
I can't hear my monitor, man
I used to hit that note, come on, son, I'm- give it to me now
I once was lost and now I'm found
I was blind, but now I see
Give me a little more bass in those monitors, oh

Dr. Rockzo know we all gotta die someday, 'cause if-
Years from now, even Dr. Rockzo's gonna meet
Sweet ah, m-m-m- hereafter
But Dr. Rockzo knows he's going up to that
B-b-b-b-b-b-backstage party in the sky, baby
And he knows he's gonna see St. Peter
G-g-g-g- bouncer at the pearly gates
And you know St. Peter's gonna have a little bit of cocaine, ri
ght?
And you know we're gonna have a party with all the lovers that
we had
And all the sexy mamas
And the angels are gonna be serving Martinis
And at some point, that door's gonna fly open
And who's gonna be standing there but God himself
And he's gonna party down with all of us, that's right
Because we're all only here a short time, baby
And we gotta make the most of it all
We gotta carry on
And we must
We must g-g-g-g-g-g-g- love each other
In the name of the Father and the Son and the Holy Spirit
Cocaine
I gotta blow some of these balloons

Who wants a balloon?
I said who wants a crucifix balloon?
