

Last breath
Skyward
Dark sign
Closing line
No time
To mend this life
Take this hand
This last time

We're the shadows of the infinite
We stand alive
We're nothing but the soil of time
Beasts in the night
Reach with my open hand
Bound for all time
In the shadows of the blazing star
Fused, we're the light

Now rise (Rise)
Rise (Rise)
Rise (Rise)
Rise (Rise)
Rise (Rise)
Rise (Rise)
Rise (Rise)
Rise (Rise)
Movin' out
Movin' out

We're nothing but the soil of time
Beasts in the night
Reach with my open hand
Bound for all time
In the shadows of the blazing star
Fused, we're the light
