

Hustle Like a Lady

Dev

This town ain't got no shit to do
Different chick
Same bitch
Trying to jock me

Same thing everyday
Make music, get paid
Go spend it in a day
While I'm shopping

All these whack dudes want to fuck with me
And all these whack bitches can't fuck with me
I came here, to throw down!
So please don't expect me to slow down

Like 1, 2, 3, 4
Get your fucking wallet and my motherfucking coat
Let's go
Let's go

Cause I gotta get mine
Gotta get mine
Every single day
Every single day
Watch me hustle boy
Watch me hustle boy
Hustle like a lady
Hustle like a lady

Now you know I stay dry
From my head to my toe
Every motherfucking show
G-give me money t-to blow

We got cups full of drinks
Swisher's sweet, take a puff
All the bad girls drop it (drop it)
Bring it back up

Get it off, shake it off
Shake it off
Don't stop, don't stop
Won't stop

Hide the gun
Thumpers
Chops
Now hop in the back of my car

Like 1, 2, 3, 4
Get your fucking wallet and my motherfucking coat
Let's go
Let's go

Cause I gotta get mine
Gotta get mine
Every single day

Every single day
Watch me hustle boy
Watch me hustle boy
Hustle like a lady
Hustle like a lady

Now you know I stay dry
From my head to my toe
From my head to my toe
F-from my head to my toe (toe toe)

Now you know I stay dry
F-from my head t-to my toe
E-every motherfucking show
G-give me money t-to blow

Cause I gotta get mine
Gotta get mine
