You got a girl That doesn't look a thing like me The girl, your mother always said it would be So, you could say that, you could say that I'm hopeless But that ain't the girl That ain't the girl I want you to be The girl that keeps up And I see in my dreams So, you could say that, you could say that I love her So I don't care what they say It's our life life life We can dance if we want Make it feel alright Temperature's rising I feel the fire Tonight, it's just me and you Tell me baby, will you be here when I wake up Even with no make up I don't want to fake it And you don't gotta doubt a second if I miss you Everytime I'm with you I feel naked (Hey! I feel naked, I want it, so let me get it, you say you got it, won't y ou come to get it) If I told you girl Come and run away with me Now will you throw it all away for me I need to know that, need to know that It's not over Cause you were the boy Daddy told you to stay away from me But you're nothing but a fantasy I need to know that, need to know that You'd be strong enough to believe in us Cause I don't care what they say It's our life life life We can dance if we want Make it feel alright Temperature's rising I feel the fire Tonight, it's just me and you

And you don't gotta doubt a second if I miss you

Tell me baby, will you be here when I wake up

Even with no make up I don't want to fake it

Everytime I'm with you
I feel naked

(Hey! I feel naked, I want it, so let me get it, you say you got it, won't y ou come to get it)

I don't care what they say
It's our life life life
We can dance if we want
Make it feel alright
Temperature's rising
I feel the fire
Tonight, it's just me and you
Tonight, it's just me and you

So Tell me baby, will you be here when I wake up I feel naked
I feel naked

(Hey! I feel naked, I want it, so let me get it, you say you got it, it's Th e Cataracs)

(I feel naked, I want it, so let me get it, you say you got it, won't you co me to get it)

Tonight, it's just me and you
