

Fire

Deva Mahal

Hello

It's been a long time coming

Though it's in a strong

A real strong warning

That you try to fight, with this losin' battle

Faded lights, so put your feet to the gravel

I've tried, Lord knows I've tried

Oh, oh, I can't go

Any further

If you only knew

The darkness inside

I can't go

Any further

And if you only knew

The darkness inside of me

True, you truly make me feel good

And I know you'd do anything that you could

To make me happy, happier than I deserve

But Deva sat on fire, and you can't heal these burns

The tears I've cried, could fill a river wide

Oh, oh, said, I can't go

Any further

If you only knew

The darkness inside

I can't go

Any further

And if you only knew

The darkness inside of me

Yeah

Said, oh-whoa

Said, no-whoa

Said, no-whoa

And no-whoa

Said, I can't go, no

Any further

And if you only knew

The darkness inside

And I can't go, no

Any further

And if you only knew

The darkness inside of me

Said, no-whoa

And no-whoa

Said, no-whoa

And no-whoa
