

Run Deep

Deva Mahal

And my eyes
Are wide this morning
But my heart is heavy still
There's a sea
Inside me
Storming
'Cause I'm battling with my will
Though I may grow tired and weary
And ache within my bones
I will fight for what I believe in
Even if I fight alone
I know that I'm gon'
Keep on moving on
'Cause nobody can stop me yeah

'Cause I gather my armor
And I'm ready for battle
I got my weapons drawn
Taking the road less traveled
And I'm ready to do this
And nobody can stop me
'Cause I'm thoroughly convinced
This is my love and it runs deep

And my whole life
There have been many
Who have tried and bring me down
But I know in my soul
Oh that I am upward bound
Doesn't matter what they think of me
'Cause I know what I was born to be
I don't do it, cause it's trendy
I hold on to my integrity
Manifest my own reality
And soon all them haters will see
That nobody can stop me yeah

'Cause I gather my armor
And I'm ready for battle
I got my weapons drawn
Taking the road less traveled
And I'm ready to do this
And nobody can stop me
'Cause I'm thoroughly convinced
This is my love and it runs deep

And the skinny ass black girl
Back of the class
Didn't try, didn't think I could pass
Then fight 'cause I had already lost more than a share of battles
Therefore why the devil did just let me try to break me, give up, listen
Now they're playing super
So they don't feel intimidated give up on my dreams and goes for their to be
accommodated
Let 'em use my mind and body making that shit looks saucing
Now speak up and use my gifts 'cause they might call me bitch and bossy
Now in my soul with them down, and fo'

Exactly what they love when I crown me fo'
What I hold they can't touch
What I had they can't buy
When I told the folks they doubt it couple times I'm buried in that lie
Yeah I lost some battles, but I win the war
Here to stand and or stimated, 'll ettle he core
And heat like the blood in my vains, he give me fever
And still I'm running the game
(Ohh-oh)
Tell 'em diva

(Huh)
And I gather my armor
And I'm ready for battle
I got my weapons drawn
(Huh-huh-huh)
Taking the road less traveled
And I'm ready to do this
And nobody can stop me
(Can't stop, wont stop)
'Cause I'm thoroughly convinced
This is my love and it runs deep

Go girl
(Yeah)
Yeah
(The queen)
This is my love and it runs deep
(Whoa-whoa)
This is my love and it runs deep
(This is my love, this is my love)
This is my love and it runs deep
(This is my love)
This is my love and it runs deep
